I headed over to NKPR's IT Lounge yesterday to kick off the TIFF festivities and all I can say is WOWZA, now that's a gifting suite!

The place was packed with some super fun brands from Ardell eyelashes to Sharpie markers!

This is PR firm **NKPR's** 5th year hosting the IT Lounge and their 1st year in their swank new digs right in the new heart of 'Festival Central' -Downtown Toronto. This year NKPR teamed up with designer Yanic Simard from the Toronto Interior Design Group to transform their already cool NY style offices into an Uber Pop-Up -and uber it was! The place was a buzz with press and celebs and the energy was electric. Plus it's not only a 'take' situation, NKPR has teamed up with '**Artists For Peace And Justice**' which was founded by Paul Haggis to improve the lives of Haitian children through education.

My trusty guide took me through the maze of vendors which included:

Hand crafted jewelry from Mumbai by **Dagmar**:

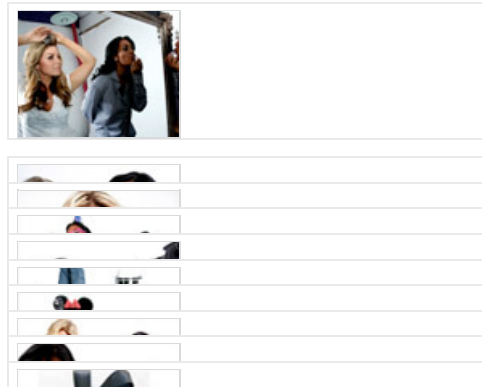

I NEED this bracelet!

Sharpie! My favorite marker/pen!

I also NEED this 'blinged - out' version!

I got my caricature done by a Sharpie artist!

Stila let me test out their fab new Custom Color Blush that adjusts to your skins PH to create a custom colour just for you!

Andrea Professionals let me in on the Do's and Don't's of 'at home' waxing.

I got a few tips on how to properly apply fake lashes from Ardell and am now officially obsessed with #105 (J Lo is too BTW..ha!)

RW & Co showed off their Holiday '10 collection

Fila had the pimpin suite at the front of the space complete with a DJ and a ton of merch. As their 100 year anniversary is approaching -2011- they are celebrating with a Centennial collection (pictured beside the dj).

But my favorite piece had to be the mens throwback baseball jacket. *memories*

Diane Lai -who was actually there in the flesh! – showed me exactly how I can get rid of those pesky dry spots I have that won't go away with normal moisturizer. Her very own all natural, hypo-allergenic Rejuvenate lotion is ideal for infants and toddlers and anyone with highly

sensitive skin.

Moroccan Oil was there once again to save the day when my hair started to frizz from all of the heat and excitement in the room. Just a couple sprays of their glorious Luminous Hairspray and I was good to go!

Esprit hooked me up with a full Urban Goddess City Lights pack complete with a garment bag, luggage tags, Fiji bottled water, bath salts, an umbrella, oh and umm, A LEATHER JACKET!

And to top it all off Baker Street keep my energy up with the most delicious cheese cake pecan pie concoction. Beyond good.

Lyric Bent, Blake McGrath, Trish Stratus and Matt Dusk all dropped by.

All in all a smashing good time! BUT we wouldn't be true to our coco & lowe motto: Sharing Is Caring, if we didn't share some of this amazing swag with you!

CONTEST

To get a chance to win some of these amazing products all you have to do is go back to the top of this post and RE-TWEET it! We will keep track of all of your RT's and choose a winner at random on Tuesday! So get RT'in!

xoxo,

coco
